

PREPARE . . .

Neighborhoods that are prepared for emergencies and disaster situations save lives, reduce the severity of injuries and trauma, and reduce property damage. In addition, working together as a team and contributing as an individual develops stronger communities and improves the quality of life in the community.

THE STEPS TO SET UP YOUR NEIGHBORHOOD TEAM:

Step 1: Identify your neighborhood boundaries and name it. *(We assist.)*

Step 2: Establish a meeting time and place. *(We will provide the invitation template and even print them up for you.)*

Step 3: Contact your neighbors. *(We assist by providing the invitation and materials to hand out.)*

Step 4: Hold your first neighborhood meeting. *(We will provide the maps, trainer, and all materials.)*

Step 5: Follow-up meetings. *(Plan a communication system to stay in touch, appoint block captains, arrange for additional training on other subjects like preparedness kits, 'grab and go' car kits; we can help!)*
